

Request Online Quotes In 4 Simple Steps

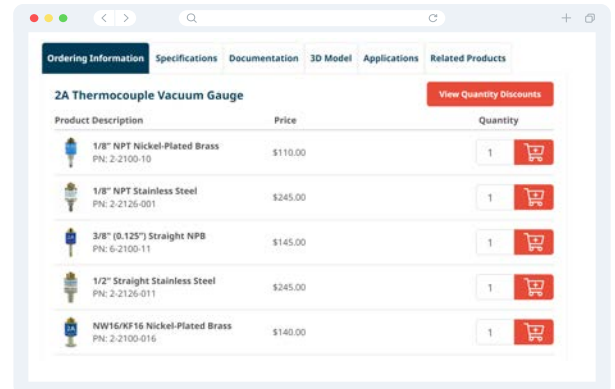

01 Search and find your products

- Visit our website, frederickscountry.com, and find the products you'd like quoted
- Navigate to the specific product page
- Use our product selection tools if you are looking for a new solution
- Use the search [Q] if you know the part number

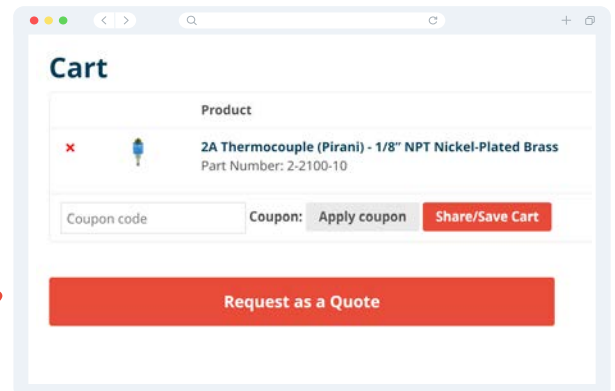

02 Add products to your cart

- After finding the product, click the add to cart button [🛒]
- Continue adding until you have all the products you need for your quote
- Quantity discounts and promotions will be automatically added to your cart
- Product "Not in Stock?" Click the Notify Me button to receive an email when it's available

03 Request your cart as a quote

- After you've finished adding products to your cart, view your cart by clicking the cart button [🛒] at the top right of the screen
- Click **Request as a Quote** on the cart screen, enter your contact information, and click **Submit**

04 Quote sent!

- Your quote will automatically be emailed to you within 5 minutes of your submission
- **No more waiting to receive your quote!**
